■ COMMUNITY CALL

Postgraduate Research Sprint Poster Session

DRICE & The Graduate School Invite You

MSc and PhD students are invited to present their research progress through professionally printed posters, receive structured feedback from faculty reviewers, and compete for research prizes — a trimester event designed to build your research confidence and academic profile.

Cohort 1
April 18, 2026
Inaugural Session

Cohort 2
July 18, 2026
Second Session

Register Your Interest
Complete our short questionnaire to help us plan the sessions.

All postgraduate students (MSc & PhD) are eligible. Posters will be professionally printed. Faculty reviewers will provide written feedback.

Our Commitment to Every School

DRICE runs R&D, Innovation & Entrepreneurship opportunities across ALL Schools & Institutes — fully funded and collaborative models.
